*Proceedings of the Madras Government, Public Works Department,
13th December 1867.*

No. 262. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Department Public Works, dated Cuddalore, 3rd December 1867, No. 187:—

1. I have the honor to request that the Government will be pleased to sanction another transfer of Rupees 1,500 to the Oosoor and Adamancottah road from the grant for the Tripatore and Mallapaudy road, in the Salem District.

2. The former road is reported to be in a very bad state, owing to the inadequacy of the grant for its maintenance. This year's allowance, though increased by the sum of Rupees 1,000, transferred in G. O. of the 26th November 1867, No. 3,672, is not sufficient for the repairs that have to be made during the remainder of the year. The Mallapaudy and Tripatore road is in good order, as it has had a liberal maintenance grant of 300 Rupees a mile for some years.

No. 263. ORDER THEREON, 13th December 1867, No. 3,869.

ACCOUNT, No. 22.

The Government sanction the transfer of funds recommended in this letter.
