Read the following letters:—

No. 134. From the Superintending Engineer, 2nd Division, to the Secretary to Government, Department Public Works, dated Camp, Oolavapaud, 2nd February 1867, No. 99.

1. I have the honor to request that should money be available from any other division, Rupees 3,000 may be allotted for Item 85 of the Budget of 1866-67, "sloping down the banks of the Seetanagram channel," as the Range Officer informs me that the allotment is expended, whilst a large gang of laborers are available for work.

2. I cannot manage to transfer the sum from any work in this division.

No. 135. From the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp, Alloor, 30th January 1867, No. 3,053 B.

1. In G. O. No. 3,941 of the 14th December 1866, a sum of Rupees 5,000 was sanctioned for improvements to the Jail at Bellary; this sum is nearly expended, and I would beg that, if possible, a further grant of Rupees 2,000 be allotted.

2. In October last, the Honorable Mr. Ellis prepared a Report on the Jail at Bellary, and took away the plan showing the improvements he proposed should be carried out; but up to this date I have not heard whether his recommendations have been approved, and the preparation of the estimate has consequently been kept in abeyance.
