Dated 14-12-1867.	

Not to be folded or roughly handled

No. 287. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 4th December 1867, No. 3,419:—

1. I have the honor to transmit, for the orders of Government, the accompanying letter to your address from the Superintending Engineer of the 7th Division, with which he submits for sanction an Abstract of salary considered to have been short-drawn for the month of September last.

2. As Colonel Walker refers to the latter clause of paragraph 2 of my letter, embodied in G. O., No. 3,049, of the 1st October 1867, I beg to explain that when writing that letter, it appeared to me that Government might, if so disposed, have allowed Captain Law the benefit of the condition laid down in Clause 16 of the Circular of the Government of India, *Vide* G. O. No. 2,845, dated 26th September 1865, No. 80, of 1865, which states that "no reduction will be made in the salaries

"of those Officers who are at present in receipt of higher allowances than those now prescribed as the maximum of their grades." This condition evidently does not refer to the case of an Officer in the Department who, of his own accord, joined the Staff Corps after the set of rules, of which the clause forms part, was written; but it seemed to me to be open to Government to recommend Captain Law's case to the Government of India as exceptional,

• Maximum salary as Assistant Engineer, first grade	RS. 500	A. 0	P. 0	so that he might be allowed to draw in the Public Works Department the salary*
Pay proper drawn in the Military Department... ..	121	12	0	which he would have been properly
Total ..	621	12	0	entitled to receive in the Department, had he not joined the Staff Corps.

3. I have thought it necessary to submit this explanation, as Colonel Walker has forwarded his letter through me; but as Government appear to have finally disposed of Captain Law's case, it seems clear to me that I cannot now pass to him a higher sum than 600 Rupees per mensem, as laid down in G. O., No. 2,857, dated 16th September 1867.

From the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Camp at Coondapoor, 25th November 1867, No. 133.

I am requested by the Neilgherry Range Officer, on behalf of Captain Law, to submit, for the formal sanction of Government, the accompanying Abstract of pay short-drawn by the latter

1 Supplemental Bill for Rupees 21-12-0. Officer for the month of September. I was of opinion that, in conformity with his report to Government, printed with their Order, No. 3,019, of 1st October, wherein he distinctly says "there could be no objection to Captain Law's drawing Rupees 621-12-0," the Controller would pass that sum on his own responsibility. But observing, on further consideration, that the above words are modified by the expression "with the sanction of Government," which he may not consider the G. O. above named to have distinctly given, I send this letter through the Controller, with the Supplementary abstract, to be by him submitted in support of it, if necessary.

The claim preferred by the Superintending Engineer of the 7th Division on behalf of Captain Law is inadmissible under the Order of the 16th* September 1867, which restricts the amount to be passed to the latter Officer while employed in the grade of Executive Engineer of the fourth class to Rupees 600 per mensem.

Sir,

Enclosure.

Supplemental
Bill for Rs. 21-12-0.

I am requested by the Marleberry Range Officer, on behalf of Captain Law, to submit for the formal sanction of Government the accompanying abstract of Pay sheet drawn by the latter officer for the month of September. I was of opinion that, in conformity with his Report to Government printed with their Order No 3049 of 1st October wherein he distinctly says "there could be no objection to Captain Law's drawing Rupees 621-12-0", that the Controller would pass that sum on his own responsibility. But observing, on further consideration, that the above words are modified by the expression "with the sanction of Government," which he may not consider the G. O. above named to have distinctly given, I send this letter through the Controller with the supplementary abstract to be by him submitted

in support of it, if necessary.

Sir,
I have the honor to transmit
for the orders of Government the accompanying
letter to your address from the Superintending
Engineer of the 7th Division with which he
submits for sanction an abstract of salary
considered to have been short drawn for the
month of September last.

2. As Colonel Walker refers to the
latter clause of para 2 of my letter embodied
in G.O. No 3049 of the 1st October 1867, I beg to
explain that when writing that letter it ap-
peared to me, that Government might, if so
disposed, have allowed Captain Saw the
benefit of the condition laid down in clause
16 of the Circular of the Government of India
No 80 of 1865, which states that no reduction
"will be made in the salaries of those Officers
who are at present in receipt of higher allowances
than those now prescribed as the maximum
of their grades". This condition evidently does
