No. 315. Read the following letter from the Inspector General of Police, to the Chief Secretary to Government, Fort Saint George; dated Madras, 19th January 1867, No. 110.

Hutting and Building.

I have the honor to forward, for the sanction of Government, an estimate, amounting to Rupees 1350, for the construction of stables for the Mounted Police at Kurnool. These are much required.

	Rs.
26 Stables for Mounted Police at Kurnool.....	1,350
School-room at District Head Quarters.....	294
Total...	1,644

2. I beg also to enclose a letter, in original, from the Acting Superintendent of Police, Kurnool District, No. 12, dated 8th instant, requesting permission to purchase, for Rupees 294, the building now used as a School-room at District Head Quarters.

3. Funds are available from the current year's Police Budget allotment for the Kurnool District.

From the Acting Superintendent of Police, Kurnool, to the Assistant Inspector General of Police; dated Kurnool, 8th January 1867, No. 12.

As requested in paragraph 3 of Memorandum (Hutting and Building), No. 2007, of 1st December 1866, I have the honor to make separate application for permission to purchase the building* now used as a School-room at District Head Quarters, with funds available from one Budget Building allotment of Rupees 2000—vide my letter† of this day's date.

2. The building in question was completed in the early part of the year 1863, and was built by subscription among the men of the Mounted Police. These men are now equally well accommodated in the old reserve Station-house, which was itself formerly the Quarter Guard Room of the old Ressala.

* For Rupees 294.

† No. 11.

No. 316. Order thereon, 30th January 1867, No. 175.

The Governor in Council sanctions the estimate submitted with the foregoing letter, amounting to Rupees (1350) one thousand three hundred and fifty, for the construction of stables for the Mounted Police at Kurnool.

2. Sanction is also granted for purchasing, for the sum of Rupees (294) two hundred and ninety-four, the building now used as a School-room at the District Police Head Quarters. It is presumed that the Superintendent has satisfied himself, in communication with the Public Works Department, that the building is worth the money proposed to be paid for it.
