*Proceedings of the Madras Government, Public Works Department,
18th December 1867.*

No. 347. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp at Taudpatry, Bellary, 4th December 1867, No. 2,345:—

1. I have the honor to request that Government will sanction the accompanying two bills, for carriage of Office Records, &c., in the Raidroog Range, Bellary District. When I suspended Mr. Hawkins from the charge of Raidroog, you may remember that I placed Mr. George, the officer in charge of the adjoining range, in temporary charge, in addition to his other duties, until the arrival of some one to assume charge.

2. On Mr. Brosnahan coming into the Bellary District, to assume charge of the Raidroog Range, he met Mr. George at Gooty, which is in the Anantapoor Range, and there received over charge. Two of the items in the accompanying bills are for carriage of records, &c., from Gooty to the Raidroog Range, and the third item is for conveying back to the Range head-quarters at Gollah all the office furniture, &c., which Mr. Hawkins had, without permission, allowed to be taken to Raidroog, as reported in my letter of April reporting on Mr. Hawkins (not having the record, I cannot give the number and date).
