No. 384. Read the following letter from the Consulting Engineer for Irrigation and Canal Company, to the Secretary to Government, Department Public Works, dated Camp at Cuddapah, 13th December 1867, No. 118:—

1. With reference to paragraph 3 of the Order of Government of the 10th instant, No. 3,844, I have the honor to inform you, that from the information furnished by the Collectors of Kurnool and Cuddapah in connection with the estimate of expenditure in the second half of the current year on land compensation, as also from that given to me by the Deputy Collector employed in arranging for the transfer of lands in Cuddapah, I am of opinion that the whole of the Budget allotment under this head will be required, and that no funds are available therefore for transfer to Public Works.

2. It is probable that a part of the allotment for Kurnool will have to be transferred to Cuddapah.
