*Proceedings of the Madras Government, Revenue Department,
18th December 1867.*

No. 343. Read the following Proceedings of the Board of Revenue, dated 10th December 1867, No. 7,978:—

Read the following letter from the Superintending Engineer, 2nd Division, to the Acting Collector of the Kistna District, dated Masulipatam, 22nd October 1867, No. 165.

3 Detailed Estimates.
3 Abstract do.
Rupees 2,000.
2 Plans.

1. I have the honor to forward plans and estimates as per margin, for constructing a road from the village of Vulluru as far as the Masulipatam canal, for the sanction of the Revenue Board.

2. Vulluru is a considerable village belonging to the Zemindar of Vulluru, who pays altogether a very large land revenue to Government, and is consequently annually entitled to an expenditure within his Zemindary of a portion of the Road Cess Funds.

3. The work, for which I now send in the estimates, he wishes executed first. He would desire hereafter that the line should be extended to Weyoor, and I advocate that the request be granted, as the line would then become one of utility to the public generally.

4. If the estimate be sanctioned at once, the work could be done in the present official year, by the transfer of the sum needed, (Rupees 2,000,) from the Mylaveram road, on which all the money allotted cannot be expended before end of March.
