1. I have the honor to state, with reference to G. O. No. 3,937 of the 13th December last, that the Superintendent of Police, Salem, has informed me that every endeavour was made by his department to discover the Lascar Govindoo Sing, but in vain.

3. Under these circumstances I am disposed to concur in the supposition of the Superintendent of Police, Salem, that the Lascar might have embarked from Pondicherry before the Salem Joint Magistrate's letter about him reached the Magistrate of South Arcot, and before I wrote to the Superintendent of Police of that district.

quently obliged to send the cheque by the Lascar, who had been several times entrusted with such a duty.

By

Colonel. Charles. A. Cro. R.E.
Secretary to Government, D.M.

Sir,

I have the honor to state, with reference to G.O. No 3937 of the 13th December last, that the Superintendent of Police, Calcutta, has informed me that every indication was made by his Department to discover the lascar Gurminder Singh, but in vain.

2. After the submission of my first report, I received information from Mr. Cooper, that a man who accompanied the lascars when he went away with the money had returned to Calcutta. This man stated to the Sub Collector that the lascars went from Calcutta to Malabar the day the money was drawn, that he reached Madras by rail the next day, proceeded at once to Pondicherry by Mail Cart, and intended to emigrate. On this I would

To the Superintendent of India, South Arcot,
to adopt measures for arresting the lascars if
at Pondicherry; and Major Swanton has
now reported that no clue can be obtained
by his Department, or by the authorities at
Pondicherry, to lead to the apprehension of
the man.

3. Under these circumstances I am disposed
to concur in the suggestion of the Superintendent
of India, Salem, that the lascars might have
embarked from Pondicherry before the Salem
Joint Magistrate's letter about him reached
the Magistrate of South Arcot, and before I wrote
to the Superintendent of India of that District.

4. As regards the concluding part of the
G. O. under reply, I have to state that the
large sum of Rupees 216-0-0 which Mr. Paynter
required in cash, is comprised of the items noted
in the margin. And he states that he could
not draw the salaries when he was at Coimbatore,
as there were no funds to his credit in the
Treasury at that time; and that he was uncer-
tainly obliged to find the charges by the
lascars, who had been several times entrusted
with such a duty.

I have the honor to be
Sir
