Referring to G. O., No. 3518, of 5th November 1866, I have the honor to point out that, in several of the Chaplaincies of this Division, I have been called upon to provide funds for various repairs and improvements to the Burial Grounds—in one case amounting to Rupees 1060 for an enclosure wall.*

2. I cannot find out that any order has been passed as to the method of paying for these items—the only fee mentioned, viz., in Rule VIII, is one likely to be paid only in very exceptional cases.

Referred to the Ecclesiastical Department, for consideration, with reference to the Orders in that Department, dated 29th October 1866, No. 221.

(Signed) C. A. ORR, Col., R. E.,

FORT SAINT GEORGE,
22*nd January* 1867.

No. 2. ORDER THEREON, 5th February 1867, No. 26.

It was intended by the Rules relating to Cemeteries that the sums realized from monumental fees, and from the sale of grass, should be expended in improving the *interior* of Burial Grounds, not in constructing enclosure walls, unless there should be such a surplus on hand as would be available for the latter purpose and not needed for the former. Works of this description, involving a large outlay, must, as hitherto, be provided for by the Department of Public Works.
