Fort Saint George, Public Works Consultation of 30th March 1858.

No. 15. Read the following letter from Colonel C. E. FABER, Chief Engineer; to H. FORBES, Esq., Acting Secretary to Government, dated 11th January 1858, No. 6573.

SIR,

I have the honor to submit for the sanction of Government the sixteen Bills particularized in the annexed list received from the Superintending Engineer in Mysore for works performed in that Division amounting in the aggregate to Rupees (12,187-1-6) twelve thousand, one hundred and eighty-seven, anna one, and pice six.

2. The first seven of the above Bills are for works performed on estimates sanctioned by the Commissioner and the Chief Engineer in Mysore, after the first transfer of Public Works to the charge of the Mysore Government. These bills I do not feel authorized to pass, the works having been executed under the orders of Officers who were for the time independent of the Madras Government besides which the estimates to which the bills refer were not passed through this department. The remaining nine bills are for works executed on emergency to Military Buildings on the authority of the Officer Commanding the Division exceeding Rupees five hundred each, which likewise I have not the power to pass finally.

List of Bills submitted for the sanction of Government.
