Proceedings of the Madras Government, Public Works Department, 25th February 1867.

No. 460. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 13th February 1867, No. 4,433 :—

1. I have the honor to submit for sanction a plan and an estimate amounting to Rupees 435, for erecting a semi-terraced verandah in front of the Barracks occupied by the unmarried Military Students of the Civil Engineering College at Chepauk, prepared at the request of the Barrack Master and the Principal of the College.

1 Plan.
1 Estimate.
1 Specification.

2. Captain Edgcome informs me that this verandah is absolutely necessary, as the front of the Barracks in question faces the east, and has now no protection whatever from the strong morning sun, the former thatched pendal having been destroyed by the gale in November last.

3. I therefore recommend that orders may be issued for the early commencement of the work, and that funds may be granted from any source at the disposal of Government.

No. 461. Order thereon, 25th February 1867, No. 547.

MILITARY WORKS, No. 24.

The estimate is sanctioned; but as there are at present no funds at the disposal of Government, the work must stand over till the 1st April next.
