Extract from a letter from the Resident of Travancore and Cochin, dated 8th February 1858, No. 8.

5. The bad state of the high-road from the Cochin frontier to Waddakancherry in the Temalapoorum Talook, a distance of 6 miles, I have already brought to notice in my report to Government, No. 28 of the 31st May 1857, para: 13.

6. Fifteen years ago the road was only practicable for Carriage Cattle, but the Cochin Sirkar have long since made every portion of the road within the Sirkar limits over a distance of 50 miles practicable for Carts to the great convenience not only of the Sirkar, but to the residents of the town of Cochin generally.

Extract from a letter from the Dewan of Cochin to the Resident of Travancore and Cochin, dated 26th November 1857, No. 642.

10. I beg to be permitted to make one more remark, viz., on the exceedingly bad state of the high-road from Waddakancherry in the Palghat Talook to Vaniemparah on the rout to Trichoor, there is an immense traffic by Carts on these routes to and from Cochin, and the whole of the road within the Sirkar limits is in excellent order, but the portion from Vaniemparah to Waddakancherry of only 6 miles is nearly impassable.
