Fort Saint George, Public Works Consultation of 30th March 1858.

No. 64. Read the following letter from Colonel C. E. FABER, Chief Engineer; to H. FORBES, Esq., Acting Secretary to Government, dated 15th March 1858, No. 8114.

SIR,

I do myself the honor to submit for the orders of the Right Honorable the Governor in Council, the accompanying 2 Estimates amounting in the aggregate to Rupees (1,090) one thousand, and ninety, for repairing the Talook Cutcherries at Teroocaleecoondrum and Terooporoor.

2. As the amount of the respective estimates viz., Rupees (810) eight hundred and ten, and (280) two hundred and eighty, exceed the valuation of the building by more than one-fourth, it does not come within the province of the Chief Engineer to sanction them, and I have therefore to request that the early sanction of Government may be accorded thereto, the works being of a very urgent nature.

No. 65. ORDER THEREON, No. 562; dated 27th March 1858.

The Right Honorable the Governor in Council sanctions the two estimates submitted by the Chief Engineer, amounting together to Rupees (1,090) one thousand and ninety, for repairing the Talook Cutcherries at Teroocaleecoondrum and Terooporoor in the District of Chingleput.
