No. 565.

No. 497.
To

THE COMMISSIONER FOR THE TERRITORIES OF HIS HIGHNESS
THE MAHARAJAH OF MYSORE.

Sir,

CIVIL WORKS, No. 75.

It has been pointed out that two very favorable sites for the formation of large reservoirs, for supplementing supplies of water to the Madras Irrigation and Canal Company's proposed canals from the Toomboodra, have been found at Mudduk Masoor on the Choardy and at Bagoli on the Toonga. I am directed to request that this Government may be favored with your views as to the terms on which the Company may be permitted to occupy the Bagoli site, and to appropriate any water that may be stored on it, as also whether there would, on the part of the Mysore Government, be any objection to the Company occupying the Mudduk Masoor site under arrangements made with the Bombay Government, the lands under the Mudduk Masoor tank being, it is understood, in the Dharwar Collectorate of the Bombay Presidency.

I have the honor to be,

Sir,

Your most obedient servant,

Colonel, R. E.,

Secretary to Government.

THE SECRETARY TO THE GOVERNMENT OF BOMBAY,
PUBLIC WORKS DEPARTMENT.

SIR,

CIVIL WORKS, No. 76.

As, in connection with the Madras Irrigation and Canal Company's projects for the construction of canals from the Toomboodra, it is proposed to form a large reservoir on the Choardy at Mudduk Masoor, where the ruins of an old tank still exist, and as it is understood that some works have already been projected by the Bombay Government for the partial restoration of the tank to irrigate lands in the Dharwar District, I am directed to request information on this subject, and that this Government may be favored with the views of the Government of Bombay as to the terms on which the Company may be permitted to restore and enlarge the tank, and appropriate the water to be stored in it.

I have the honor to be,

Sir,

Your most obedient servant,

Colonel, R. E.,
Secretary to Government.
