Proceedings of the Madras Government, Public Works Department,
26th February 1867.

No. 530. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Waltair, 12th February 1867, No. 260:—

1. I have the honor to enclose Memorial to the Right Honorable the Secretary of State for India, with other papers, in triplicate, from D. Jeyaramasawmy, late Draughtsman in the 3rd Range, Godavery District, returned with Memorandum No. 49 of 1867.

3 Sets, and 1 Extract.

2. There is no authentic record of his services in this department, as the Range Register was lost. From the annual list of establishments it appears that he was entertained in 3rd August 1847, but this does not agree with a certificate given by Government in the "Fort Saint George Gazette," 2nd October 1863, page 627, in which his services are said to extend over only eleven years and four months.

3. It would appear that some of his early employment had been of a temporary nature; in 28th August 1861 he was appointed a Sub-Overseer, and on the abolition of that grade he was nominated by Major Stoddard, then District Engineer, an Acting Draughtsman.

No. 531. ORDER THEREON, 26th February 1867, No. 583.

ESTABLISHMENT, No. 50.

Ordered that the Memorial received with this letter be forwarded to the Right Honorable the Secretary of State for India, and that the Memorialist be advised of its despatch.
