Proceedings of the Madras Government, Public Works Department,
27th February 1867.

No. 563. Read the following Endorsement of the Superintending Engineer, 4th Division, dated Madras, 18th February 1867, No. 4,533:—

Read the following letter from the Executive Agent, Mount Range, to the Superintending Engineer, 4th Division, dated Guindy, 22nd December 1866, No. 972.

1. I have the honor to inform you that, in consideration of the services of Apprentice Coopoosawmy Naidoo, who has proved himself to be an intelligent, energetic, and hard-working man, Captain Rogers, R. E., was pleased (on a verbal order from you, I am given to understand) to increase his pay from Rupees 13 to Rupees 30; but I regret to state that the sum of Rupees 17, charged to the Petty Establishment in September and October, has been disallowed by the Controller, who objects to pass the extra allowance without the sanction of Government, and calls for a retrenchment of the money already paid. Under these circumstances, I beg to request the favor of your taking Coopoosawmy Naidoo's case into consideration, and request Government to sanction the increase, as he is a very deserving man, and I believe has been brought to your notice on several occasions as being worthy of promotion.

2. He is more than six years in the department, and possesses a Sub-Overseer's Certificate.

3. I beg to refer you to your endorsement (No. 3,043, dated 2nd December 1865) in his behalf.

Submitted for the orders of Government, with the Superintending Engineer's recommendation that the Controller of Public Works Accounts may be authorized to pass the proposed increased pay of the Apprentice from the Budget allotment for Petty Establishment.

(Signed) A. J. M. BOILEAU, Colonel, R. E.,
Superintending Engineer, 4th Division.

No. 564. ORDER THEREON, 27th February 1867, No. 599.

ESTABLISHMENT, No. 54.

The Government approve of the salary of Apprentice Coopoosawmy Naidoo being increased to 30 Rupees per mensem as a *temporary* arrangement. The mode, however, in which the Superintending Engineer of the 4th Division proposes to meet the extra charge is objectionable and the whole salary* will accordingly be debited to the general head of "Establishments."

* Rupees 30.
