*Proceedings of the Madras Government, Public Works Department,
3rd January 1867.*

No. 10. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 20th December 1866, No. 3,790:—

With reference to your Memorandum No. 309, dated 30th October 1866, expecting plans and estimates for the project of diverting the Palar water, through the ditch at old Arcot, for the irrigation of the series of tanks extending from the Sadaveram tank to the Chunkanpuram tank, in the Arcot Talook, estimated at Rupees 40,830, I have the honor to report that I have decided upon deferring the project, as, on communicating with the Revenue Department, it has been found that it is not considered in all respects a desirable one.

No. 11. ORDER THEREON, 3rd January 1867, No. 5.

CIVIL WORKS, No. 5.

Ordered to be recorded.
