No. 595. Read the following Memorandum from the Chief Secretary to Government, in the Judicial Department :—

(Here enter No. 54, dated 18th February 1867.)

From the Registrar of the High Court of Judicature at Madras, to the Chief Secretary to Government, dated Madras, 28th January 1867, No. 3.

1. In their Orders of the 11th November 1865, No. 1,601, Judicial Department, and 19th February 1866, No. 585, Public Works Department, the Government sanctioned the building of a new Court House at Parpangady for the District Moonsiff of Shernad. The execution of the work was, however, ordered to be deferred pending an enquiry whether the number of the District Moonsiffs in the Calicut Zillah could not be reduced. The Courts of the Veliangode and Additional Moonsiffs have since been abolished, and the Acting Civil Judge contemplates recommending that the Court at Pattamby be also closed. But none of these alterations will affect the Shernad Moonsiff, except by increasing his jurisdiction, and thereby rendering the permanency of his Court more certain.

2. The Judges are clearly of opinion that the Moonsiff of Shernad cannot possibly be spared, and that Parpangady is the proper station for his Court to sit at.

3. Both for the sake of public convenience, and to save the rent of Rupees 10 now being paid for the hired premises, I am directed to recommend that the new Court House may be built at once. The Acting Civil Judge is anxious that it should be completed, if possible, before the next monsoon.

No. 596. ORDER THEREON, 28th February 1867, No. 616.

CIVIL WORKS, No. 99.

1. This letter will be communicated to the Superintending Engineer of the 7th Division with reference to G. O. No. 585 of the 19th February 1866.

2. Colonel Walker will report what arrangements he would propose to make for the erection of the proposed new Court House for the District Moonsiff at Parpangady before the commencement of the next monsoon. The Government are unable to allot any money for this work during the current official year.
