No. 612. Read the following :—

No. 112.

List of the Orders of Government remaining undisposed of up to 31st Dec. 1866.

Number and date of the Government Order.		Subject.	Remarks.
753	12th April 1862.	In approving of the forms of Accounts, Government call attention to the early preparation of Section VI. of the Revenue Accounts.	The Board of Directors have not as yet expressed their views with regard to the draft rules sent to the Agent in December 1864. Copies of these Rules were sent to Government in letter No. 40, dated 31st July 1866.
2,067	11th Nov. 1864.	Paragraph 2.—Calls for a final report, after communication with the Accountant General and Agent, regarding the rules for the keeping of the irrigation and toll Revenue Accounts, &c.	
250	18th Feb. 1862.	Before any expenditure is incurred in the construction of certain buildings on the Nullamalla Hills, wishes to be informed whether any reliable information has been obtained as to the healthiness of the locality.	*Vide* Consulting Engineer's Endorsement, No. 168 of the 10th March 1864, to a letter from the Chief Engineer, No. 43 of the 8th idem.
1,058	28th April 1863.	Requests to submit, for the sanction of Government, revised estimates for the Nellore works.	*Vide* Government Orders Nos. 2,859, 3,258, 304, and 993, dated 4th October and 14th November 1864, and 2nd February and 11th April 1865.
3,117	26th Oct. 1863.	Paragraph 3.—Directs to submit supplemental estimates for certain works.	The supplemental estimate for the Office and Store at Soonkasala was submitted by the Agent on the 11th September 1866, and his reply to the Consulting Engineer's letter thereon, dated 28th idem, No. 148, asking for information with regard to the past expenditure not having been as yet received, the estimate is retained in this Office pending the receipt of the same.
3,480	5th Dec. 1864.	Paragraph 3.—Calls for the Agent's reply to the Consulting Engineer's reference regarding the mode of exhibiting in the Accounts the stores returned.	*Vide* paragraph 17 of letter No. 1, dated 6th May 1865, and paragraph 5 of Government Order thereon, No. 1,442 of 29th idem.
800	23rd March 1865.	Paragraph 1.—Returns, for further revision, plans and estimates for distribution works in the 6th Section.	The estimates have not as yet been re-transmitted to this Office.
1,019	16th May 1865.	States that the Government is willing to transfer to the Company the Byapgoodoor tank, on the condition that the level of the canal is made sufficiently high for the irrigation of all the wet lands under that tank.	There has been some further correspondence, but the Chief Engineer has not yet determined how the canal and tank are to be arranged, though it is clear that the former cannot supersede the latter altogether.
1,702	19th June 1865.	Paragraph 3.—Returns for revision, plans and estimates for bridges in connection with locks Nos. 7 and 14 on the Company's Main Canal.	These plans and estimates have not yet been received in this Office since their return to the Agent.

List of the Orders of Government remaining undisposed of up to 31st Dec. 1866.
(Concluded.)

Number and date of the Government Order.		Subject.	Remarks.
1,957	11th July 1865.	Paragraph 2.—Requests to ascertain from the Board, through the Agent, what allowances should in future be passed to the Agent when absent from Madras on duty.	In reply to a reminder from this Office, the Agent, in letter No. 127 of the 23rd July 1866, states that no information has been received as yet from the Board on the subject.
3,029	14th Dec. 1865.	Requests to report, after communication with the Agent, on the proportions in which the loss occasioned by the remission of the water-rate should be borne by Government.	In reply to a reminder from this Office, the Agent, in letter No. 95, dated 5th July 1866, states that he is not yet in possession of the views of the Directors on the subject.
500	9th Feb. 1866.	Requests to place himself in communication with the Company's Manager, and arrange for bridges being provided at the sites indicated in paragraph 4 of Mr. Lewis' letter.	The Agent was written to on the 13th Feb. last. When the estimates of the 9th Section are again brought forward for sanction, the Government will be informed what provision has been made with reference to this order.
859	15th March 1866.	Expects to receive a further report regarding the unauthorized outlay in the purchase of Stores.	*Vide* paragraph 4 of letter No. 15, dated 4th June 1866, Proceedings Madras Government No. 1,961 of the 22nd idem.
968	26th March 1866.	Paragraph 3.—Requests to be furnished with explanations regarding deficiencies found in Stores at the Stock-taking of 1865.	The differences are being adjusted in the Store Accounts.
1,583	17th May 1866.	Do. do. do.	—*Vide* paragraph 5 of letter No. 47, dated 4th August, and paragraph 4 of letters Nos. 105 and 106, dated 20th December 1866 respectively, from this Office.
1,084	9th April 1866.	Requests to ascertain from the Board within what date they will be prepared to submit the plans for a reservoir at Luckavally, &c.	Awaiting a reply from the Agent.
2,180	12th July 1866.	Paragraph 2.—Requests to submit, without unnecessary delay, estimate for carrying out the necessary protective works for the Soonkasala anicut.	*Vide* Proceedings of Government No. 2,573 of the 16th August 1866.
3,520	5th Nov. 1866.	Paragraph 2.—States that the Government will be glad to receive an estimate of the probable cost for rendering the embankments of the Main Canal watertight, in the manner suggested in paragraphs 10 and 11 of the Consulting Engineer's letter No. 70, dated 1st October 1866.	Estimate not yet received.
3,926A	13th Dec. 1866.	Orders the Consulting Engineer to proceed to Bellary to examine the designs and scrutinize the estimates of the Company's proposed Canal in that District.	Report was submitted on the 30th January 1867.
