**Proceedings of the Madras Government, Public Works Department,
1st March 1867.**

No. 37. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Department Public Works, dated Madras, 26th February 1867, No. 3,890 :—

With reference to G. O. of the 30th January 1867, No. 307, I have the honor to forward two original letters from Mr. Fraser, C. E., informing me, Mr. Brosnahan is now no longer under his orders, but with Captain Magnay, and that only some of the recoveries ordered by Government to be made have yet been effected, and in consequence of Mr. Brosnahan not having sent in any Travelling Allowance bills since September last, he has been unable to comply with his wishes. As the official year is now fast approaching its close, I beg to solicit that the instructions contained in the G. O. under reference may be modified, and addressed to Captain Magnay to be at once acted upon; and, further, if Government are pleased to approve of the suggestion, that Officer should also direct Mr. Brosnahan to send in his Inspection Reports and Travelling Allowance bills, with an explanation of the cause of the delay in submitting these documents.

From W. FRASER, Esq., C. E., Special Engineer, to the Controller of Public Works Accounts, dated Church Park, Mount Road, 7th February 1867, No. 95.

1. With reference to your Memorandum, No. 3,656, I have the honor to state that Mr. Brosnahan has paid to me the sum of 80 Rupees according (as he stated) to your directions, as one instalment for December 1866. This is all he has paid. I enclose a Cheque for the amount.

2. Two instalments were deducted from his Pay Abstract for January, in accordance with the Order of Government, No. 307, dated 30th January 1867.

3. Mr. Brosnahan has not yet furnished his Travelling Allowance bills for October, November, December, and January, and he wishes that the double instalment for November should be deducted from their amount.

From W. FRASER, Esq., C. E., Special Engineer, to the Controller of Public Works Accounts, dated Camp, Attiput, 23rd February 1867, No. 97.

1. I have the honor to remind you that Mr. Brosnahan, Assistant Engineer, though often applied to, has sent in no Travelling Allowance bills since September last. This has delayed the submission of the whole of the Travelling Allowance bills of my permanent establishment, but as Mr. Brosnahan is now under Captain Magnay's orders, this cause of delay will exist no longer.

2. I draw your attention to this circumstance particularly, because you are desirous that the re-payment of the arrears, on account of Mr. Brosnahan's family payments in Ireland, should be made before the 31st of March next, and because I have nothing further to do with his accounts.

No. 38. ORDER THEREON, 1st March 1867, No. 644.

ESTABLISHMENT, No. 4.

1. These papers will be forwarded to the Superintending Engineer of the 4th Division, with a view to Mr. Brosnahan being requested to arrange for completing his family payments for the

current official year by the 31st Instant as ordered in G. O. No. 307 of the 30th January 1867.

2. Mr. Brosnahan's Inspection Reports and Travelling Allowance Bills should be submitted at once to the Controller of Public Works Accounts with the required explanation of the cause of delay in their transmission.
