MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Superintending Engineer, 4th Division, Madras, 13th February 1867,
No. 4437; to the Secretary to Government, Public Works Department.

I have the honor to submit, for the sanction of Government, an estimate
amounting to Rupees 620, illustrated by
a plan, for paving with stone in chunam
the ground around four wells in the Military
Cantonment of Raneepet in the Wal-
lajah range, North Arcot District.

Enclosures 2.

1 Plan.

1 Estimate.

2. The plan and estimate were prepared with reference to a Circular from His Excellency the Commander-in-Chief, copy of which was furnished to me, in which it was pointed out, "that in view to the prevention among Native troops of the disease known as the 'Guinea Worm,' the Government of India had directed that the ground around all wells in Military Cantonments should be paved, and that the waste water that falls on the so paved circuit of wells should be carefully conveyed by drains to a distance."

3. The work, I fear, cannot be undertaken this year, as there are no funds available. Permission is requested to make an application for the necessary funds in April next.

4. Plans and estimates are being prepared by range Officers for paving the wells in the several other Military Cantonments in this Division.

Referred to the Military Department.

FORT SAINT GEORGE,
15th Feb. 1867.
