1. I have the honor to inform you that, owing to a portion of Roads Nos. 30 and 35, in the Nanilum Talook, having been repaired during the current year from Local Funds, a portion of the allotment for the maintenance of these roads has been made available for distribution elsewhere, and has been appropriated so as to cover the excess expenditure required to repair injuries to Road No. 15, which occurred in October last, without encroaching upon the Rupees 7,983, by which the allotment for repairs under Communications in the Tanjore District was reduced as shown in G. O. No. 3,063, dated 25th September. The details of Rupees 7,983 are shown below:—
