Proceedings of the Madras Government, Public Works Department, 5th March 1867.

No. 77. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Camp, Mangalore, 25th February 1867, No. 233 :—

In continuation of my letter No. 229 of 20th February 1867, and with reference to your Memorandum No. 39 of 11th February, I regret to report that, by the last advices from Coimbatore, I am compelled to repeat my request that the allotment of the current year for Coimbatore, Jail may be reduced by Rupees 5,000. I have every reason to believe that the works are being pushed forward more successfully by the present Range Officer than by his predecessors, and that he will show a fair outlay for February and March, but he took charge too late in the season to be able to spend the whole of the additional allotment of Rupees 30,000. More than enough has been provided in the Budget of 1867-68 to complete the work early in that year.

No. 78. ORDER THEREON, 5th March 1867, No. 664.
