No. 144. ORDER THEREON, 9th January 1867, No. 68.

ESTABLISHMENT, No. 12.

1. With the exception noticed in the following paragraph, the arrangements reported in this letter are approved, but the Government consider that it would be preferable to entrust the Calicut and the "Low Country Talooks of the Wynaad Ranges" to Lieutenant Manwaring, with the separate and distinct establishment which was provided for the Calicut Range in the statement submitted with Colonel Walker's letter recorded in the Order of the 12th December 1866, No. 3,918. This will leave two Office establishments, at Rupees 115 each, for the North and South Wynaad Ranges, and will prevent any interference on the part of Captain Kennedy with the members of the Calicut Range Office.

2. As application has been made to the Government of India for the services of Lieutenant Shepherd, of the Royal Engineers, for employment in the Wynaad, Lieutenant Dorward's transfer to the Malabar District is unnecessary, but as he will not be required in Coimbatore, he will shortly be sent to another district.
