Minutes of a Meeting held at the Agent and Manager's Office, Royapooram Terminus, on Thursday, the 6th December 1866.

Present.

Major G. CHESNEY, R. E., Account General, Department Public Works.

Lieut.-Colonel J. C. ANDERSON, R. E., Consulting Engineer for Railways.

Lieutenant J. FILGATE, R. E., Examiner of Railway Accounts.

Mr. F. CHURCH, Chief Auditor, Madras Railway.

" J. W. BRADLEY, Engineering Accountant, do.

" W. G. SMART, Acting Agent and Manager, do.

I. With respect to the banking transactions of the Company, it was resolved that all the Accounts of the Company should be kept with the Madras Bank, with the exception of the following, viz.—

" Employes Guarantee Fund."

" Contractors' Fund."

" Sick and Allowance Fund," which may be dealt with by the Agent.

II. That the present system of recording cash transactions in the books of the Company is approved, and that no necessity exists for a separate cash book on account of "Revenue."

III. That the Monthly Account of the Company, No. 5, shall be ready by the 7th of the third month from that to which it relates.

IV. It was suggested that there might be a difficulty in applying for funds for any particular month, basing the application on the expenditure of the last month but one, and it was therefore decided that the application might be regulated by the expenditure incurred two months previously; thus an application for funds for October would be based on expenditure for July.
