Proceedings of the Madras Government, Public Works Department,
13th March 1867.

No. 250. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 11th March 1867, No. 4,083 :—

1. I have the honor to request you will be good enough to submit this my application for three months' cumulative privilege leave, from date of departure, for the sanction of Government.

2. Before going on leave, I propose opening the books of the Presidency Store and Workshops in the new forms, and after the close of the official year I would beg to suggest that Mr. Hart, the Manager of this Office, should proceed to Dowlaishweram to audit the books of the Workshops there, for the year, and open their books in the new forms.

3. If Government are pleased to approve of this suggestion, Mr. Hart might be instructed to extend his tour in the Ranges of the Godavery and Kistna Deltas, and report upon the state of the accounts in the several Offices.

No. 251. ORDER THEREON, 13th March 1867, No. 750.

ESTABLISHMENT, No. 15.

1. The leave applied for by Captain Fischer has been granted and notified in the official Gazette.

2. The Government do not consider it advisable that the Head Accountant of the Controller's Establishment should be employed elsewhere than in the Central Office of Account during Captain Fischer's absence. They therefore cannot sanction the proposal to depute Mr. Hart to Dowlaishweram to audit the accounts of the Workshops and to open books under the new system. That duty must be deferred till the expiration of Captain Fischer's leave, when he will himself undertake it, and, if necessary, extend his tour to such of the Northern Ranges as he may think it advisable personally to visit.
