Proceedings of the Madras Government, Revenue Department, 8th March 1867.

No. 133. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Department Public Works, dated Camp at Nuckkapilly, 16th February 1867, No. 262:—

1. In reply to G. O. No. 228 of 23rd ultimo, I have the honor to report that it will be necessary to keep an extra Lascar for eight months of the year, during which the banks of the Boady reservoir must be watched by night as well as inspected by day.

2. I presume that this must be looked on as a permanent charge, and therefore enclose a statement of extra establishment; but beg to point out that as all charges for conservancy in Ganjam are now under G. O., No. 3,479 of 18th November 1865, debited to the Revenue Department, this item should be entered in the Revenue Budget.

Transferred to the Revenue Department, with reference to the Orders in the Public Works Department, No. 228, dated 23rd January 1867.

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government, P. W. D.
