No. 376. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 5th March 1867, No. 4,809 :—

1. With reference to Government Order No. 3,402, dated 24th October 1866, I have the honor to report that it has been brought to my notice, that four is not a sufficient number of Lascars to be attached to each Surveyor. In levelling, two are required for chaining, one for the fore-staff, one for the back-staff, one to carry the instrument, and one to carry the instrument box, bill-hook, &c.

1 Statement.

2. A Statement in the usual form is enclosed, showing the enhanced cost that will accrue by engaging two additional lascars for each of the five Surveyors authorized for this Division, and permission is solicited to entertain such as are required at once.
