No. 378. Read the following Proceedings of the Madras Government in the Financial Department, dated 4th March 1867, No. 96:—

Read the following Proceedings of the Government of India, Financial Department, dated Fort William, 31st January 1867, No. 656.

Leave and Allowances.

Read the following letter from the Right Honorable the Secretary of State for India, to His Excellency the Honorable the Governor in Council, Bombay, dated London, 24th November 1866, No. 70.

1. The Despatch of your Excellency in Council, dated 28th September, No. 50 of 1866, submitting an explanation relative to the grant to Mr. Coghlan of allowances to which the Accountant General's Department stated he was not entitled, has been considered by me in Council.

2. As the leave has been cancelled, no breach of the rules has occurred; but I cannot regard the explanation of your Excellency in Council on the question of principle involved as satisfactory. Mr. Coghlan was holding a Joint Judgeship, an appointment sanctioned for a limited time and a special purpose. Now, if an officer holding such an appointment, sanctioned for six months, goes on leave for a month, and is permitted, during absence, to draw the full allowances, there is clearly presented this dilemma—either the Government has to pay the higher allowances for seven months instead of six, or, if the work be completed within the prescribed six months, the work of five months has been spread over six months, and the appropriate remuneration has been extended accordingly. It is obvious that special allowances granted for special and temporary duties should only be drawn during the period in which such duties are actually performed. I desire that this plain rule may be strictly adhered to in future.

Resolution by the Government of India, Financial Department, dated 14th August 1863, No. 3,807.

Read Endorsement from the Public Works Department with the Governor General, No. 1,137, dated 25th June 1863, forwarding, for orders, a letter from the Deputy Controller and Examiner of Public Works Accounts in Hyderabad, inquiring whether "persons employed on the temporary establishment can receive pay while on leave, if not absent beyond a month," and requesting that the question of leave to Probationers (both Civil and Military), in the Public Works Department, may be taken into consideration.

The Honorable the President in Council remarks that persons on temporary establishments are paid only for work done. They can have no claim to benefit by the Absentee Rules, which are part of the conditions of permanent service. Applications in such cases must be dealt with according to the discretion of the Head of the Office. Circumstances may occur in which it may be proper to grant the indulgence of leave, but in no case should leave be allowed at an additional cost to Government.

2. With regard, however, to Probationers in training for the superior classified grades of a Department, His Honor in Council is of opinion that, as they have received permanent appointments in the Public Service, subject to certain conditions, they cannot be regarded as belonging to temporary establishments, and may be allowed leave of absence under the ordinary rules.

Ordered that a copy of the foregoing Resolution be forwarded to the Public Works Department with the Gevernor General, and that the original paper received with endorsement from that Department, No. 1,137, dated the 25th June 1863, be returned.
