Proceedings of the Madras Government, Public Works Department, 10th January 1867.

No. 176. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Camp, Nellore, 22nd December 1866, No. 82 :—

1. I have the honor to point out that a mistake was made in paragraph 7 of letter No. 63, dated 24th November, from this Office, wherein it is requested that the original sanction of Rupees 84,580 + 21,000 — 3,230 = 1,02,350 may be cancelled.

2. As the work remaining to be done on the Pyderu bridge was not included in the estimate for Rupees 25,130, forwarded with that letter, only the sanction of Rupees 84,580 should be superseded.

3. I would, therefore, beg that two items may be entered in the Budget estimate, viz., one for the Pyderu bridge, for which Rupees 21,000 was sanctioned; the other for the construction of Trunk Road No. VI., Rupees 25,130, as sanctioned in G. O. No. 3,915 of the 12th instant, and the allotment be made in the forthcoming Budget for both these works as under :—

	Amount of estimate.	Computed expenditure.	Estimate 1867-68.
	RS.	RS.	RS.
Construction of Pyderu bridge... ...	21,000	20,000	1,000
Construction of Trunk Road No. VI., from 115th to 185th mile	25,130	.....	10,000

No. 177. ORDER THEREON, 10th January 1867, No. 85.

ACCOUNT, No. 10.

1. The Budget having been closed and despatched to the Government of India, the Government are unable to accede to the Superintending Engineer's request, but they will be prepared, on that Officer's application, to allot the sum of Rupees 1,000 which is required for the completion of the Pyderu bridge from the Reserve of 1867-68.

2. Rupees 5,000 have been provided in the ensuing year's Budget towards the construction of Trunk Road No. VI. from the 116th to the 185th mile.
