P. S.—With reference to G. O. No. 3,983, dated 18th December 1866, I regret that it is impossible to make a deduction from any "Reserve" allotment for the Chabrole bridge. I have, therefore, embodied the required amount in this application.

No. 204. Order thereon, 11th January 1867, No. 98.

ACCOUNT, No. 15.

1. The first three transfers proposed in paragraph 1 of this letter are approved.

2. As the Superintending Engineer is unable to provide the supplemental grant of Rupees 621, which is required for the bridge near Chabrole from savings on *Reserve* allotments, the Government will endeavour to allot the necessary funds later in the year from other sources. In the meantime, the work may be proceeded with.
