G.O. No. 187 Press ~~Mis.~~

380-81

Dated 19. 1 1867.

Not to be folded or roughly handled

Proceedings of the Madras Government, Public Works Department,
19th January 1867.

No. 380. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Camp, Nellore, 31st December 1866, No. 85:—

1. I have the honor to solicit the sanction of Government to my taking the Manager of my Office on circuit with me, when I proceed for a lengthened period into the Nellore District.

2. I understand that an order was issued some time ago, prohibiting the Manager of a Superintending Engineer's Office leaving his head quarters, but I do not find any copy of such order in my Office.

3. I experience great inconvenience, during the periods I am annually obliged to be absent from Masulipatam, from his non-presence. During the four or five months I am away, much delay occurs in referring to him for information on many points. My Head Writer has only recently been appointed, and of course is not well acquainted with past transactions, whilst the Manager's utility is greatly decreased by the small amount of work I can give him to do, at such a distance. This is especially the case now that the accounts of the Range Officers no longer pass through my Office.

4. I would propose, therefore, that the Head Writer be left at Masulipatam, to do such work as is necessary, whilst the Manager accompanies my camp.

No. 381. ORDER THEREON, 19th January 1867, No. 187.

ESTABLISHMENT, No. 28.

The Superintending Engineer of the 2nd Division will observe from G. O. No. 1,668, dated 25th June 1863, that it is not intended that the Managers of the Superintending Engineer's Offices should leave the head quarters of Divisions. The salaries of those subordinates were fixed on their present scale to admit of the services of men of intelligence being secured who may be capable of conducting all the current duties of the Office in the absence of the Superintending Engineers, and of relieving them of all matters of detail when the attention of those Officers may be taken up by work of a more important character. Under such an arrangement the Government cannot see that any inconvenience can result from the Managers not being permitted to accompany the Superintending Engineers when on circuit

Secretary to Government
P.W.D. Madras.

Sir

I have the honor to solicit the sanction of Government to my taking the Manager of my Office on circuit with me, when I proceed for a lengthened period into the Nellore District.—

2 I understand that an order was issued some time ago, prohibiting the Manager of a Superintending Engineer's Office leaving his Head Quarters, but I do not find any Copy of such order in my Office.

3 I experience great inconvenience, during the periods I am annually obliged to be absent from Masulipatam, from his non presence. During the 4 or 5 months I am away, much delay occurs in referring to him for information on many points. My Head Writer has

has only recently been appointed & of course is not well acquainted with past transactions, whilst the Manager's utility is greatly decreased by the small amount of work I can give him to do, at such a distance. This is especially the case now that the accounts of the Range Officers no longer pass thro' my Office.

4 I would propose therefore that the Head Writer be left at Masulipatam, to do such work as is necessary whilst the Manager accompanies my camp.

I have the honour to be
