Proceedings of the Madras Government, Public Works Department, 19th January 1867.

No. 382. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Waltair, 8th January 1867, No. 229 :—

1. I have the honor to request instructions as to a request submitted by Serjeant Joyce of the Ordnance Artificers, for promotion to Sub-Conductor. I have no papers in my Office which would enable me to judge how far this claim is well founded. His position is altogether an anomalous one, he has been removed from the regular line of the Department Public Works as an useful and skilled Deputy Superintendent in the Godavery Workshop; but so far as I know, his name is still on the rolls of the Corps of Ordnance Artificers.

2. It appears to me, therefore, that special consideration of his case will be required.

3. He has served twenty-three years in the army and ten years in the Department Public Works.

No. 383. ORDER THEREON, 19th January 1867, No. 188.

ESTABLISHMENT, No. 20.

The Superintending Engineer of the 1st Division is informed that there is no objection to Serjeant Joyce being recommended for promotion to the Warrant grades, such recommendation being forwarded, under existing rules, to the Adjutant General.
