Proceedings of the Madras Government, Revenue Department,
19th January 1867.

No. 402. Read the following Proceedings of the Board of Revenue, dated 8th January 1867, No. 108.

Read the following letter from the Collector of the Godavery District, to the Secretary to the Board of Revenue, dated Cocanada, 6th December 1866, No. 285 :—

1. Referring to the Government Order, No. 3,159, dated 19th November 1866, Revenue Department, which accompanied the Board's Proceedings of the 23rd idem, I have the honor to report that the road between Ambajipetta and Amalapur was constructed from the allotment sanctioned in the Local Fund Budget for 1865-66, *vide* No. 11. This road was completed by the end of the past official year, with the exception of the bridge now under reference.

2. The estimate, and the Government Order of 22nd September, are herewith returned.

ENCLOSURE No. 1.—Estimate.

ENCLOSURE No. 2.—Government Order.

Submitted to Government, with reference to their Order dated 19th November 1866, No. 3,159. It will be seen, from the Collector's letter, that the construction of the road between Ambajipetta and Amalapur was completed out of the allotment [illegible] *in the Local Fund Budget for 1865-66.*—The estimate submitted by the Acting Superintending Engineer, 1st Division, amounting to Rupees 325, is for the re-construction of the Girder bridge over the Cowsica at Bunderlunka on the same road, and the Board sanction the estimate out of the Reserve of the current year, as the amount is below 2,000 Rupees. The Accountant General will be requested to place the sum of Rupees 325 at the disposal of the Public Works Department. Had the Superintending Engineer, 1st Division, submitted the estimate to the Board through the Collector, the present unnecessary correspondence would have been avoided.

No. 403. ORDER THEREON, 19th January 1867, No. 191.

Miscellaneous.

Communicated to the Public Works Department, with reference to docket of that Department dated 5th November 1866.
