*Proceedings of the Madras Government, Public Works Department,
8th April 1868.*

No. 147. Read the following Proceedings of the Madras Government in the Military Department, dated 2nd April 1868, No. 1,364.

Read the following papers :—

Memorandum from the Secretary to Government, Public Works Department :—
(Here enter 10th March 1868.)

From the Adjutant General :—
(Here enter 19th March 1868, No. 218.)

From the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Bellary, 4th March 1868, No. 3,256.

I have the honor, with reference to clause 3, paragraph 4 of G. O., No. 1,453, dated 5th May 1866, to suggest that the Adjutant General be requested to circulate to Superintending Engineers, - or to publish from time to time in the "Fort St. George Gazette," the names of those men of Native Regiments who are qualified for employment in this department, as this course will admit of our knowing who are anxious for employment.

Transferred to the Military Department for the issue of the necessary orders.

(Signed) CHARLES A. ORR, Colonel, R. E.,
10th March 1868. *Secy. to Govt., P. W. D.*

Referred to the Commander-in-Chief, (Adjutant General's Department,) with a request that His Excellency will inform Government whether there is any objection to the suggestion being adopted.

13th March 1868.

From the Adjutant General, to the Secretary to Government, Military Department, dated Fort St. George, 19th March 1868, No. 218.

1. With reference to copy of letter from the Superintending Engineer, 3rd Division, forwarded under your docket, dated 13th instant, wherein it is requested that the names of men of Native Regiments qualified for employment in the Public Works Department, might be circulated to Superintending Engineers, or be published from time to time in the "Fort St. George Gazette," I have the honor, by order of the Commander-in-Chief, to observe that His Excellency considers either of the above named courses would entail considerable trouble without any adequate advantage.

2. Clause 3, paragraph 4, of Proceedings of Government, Public Works Department, No. 1,453, Order 5th May 1866, directs that "lists of qualified candidates should be kept in this office, and application made for their services when required."

3. The above arrangement, Lieutenant-General McCleverty is of opinion, fully meets the requirement, and in the event of a man's services being required, the best selection is made with reference to the character, age and general qualifications of the individual from the roll of men of the Regiment serving in the division from which the demand is made.

4. Should the name of any man in particular be mentioned, and his services applied for, they are in like manner granted.

*Proceedings of the Madras Government, Public Works Department,

Ordered that the foregoing letter from the Adjutant General, be communicated to the Department Public Works.
