No. 158. Read the following Endorsement of the Superintending Engineer, 4th Division, dated Madras, 31st March 1868, No. 5,884 :—

Read the following letter from the Executive Engineer, Madras Water Works, to the Superintending Engineer, 4th Division, dated Camp at Red Hills, 7th February 1868, No. 410.

With reference to the accompanying letter from the Government Solicitor, I have the honor to inform you, that I wrote to that official on the 6th January 1868 (copy of letter annexed, No. 346), and the abovementioned letter is his reply. I can trace no Order of Government of the nature referred to, and I beg to submit that it is desirable that the Government Solicitor should receive instructions to examine the Title Deeds, and prepare a conveyance of the bungalows, &c., the purchase of which forms part of the approved project for these works, on receiving from me a communication notifying that the property in question is included therein. The arrangement for the purchase of the particular bungalow referred to in my letter was made by Captain Magnay.

Submitted to Government, with a request that the Government Solicitor may

be authorized to examine the Title Deeds and to prepare a conveyance of the bungalow at the Red Hills required in connection with the Madras Water Works projects.
