*Proceedings of the Madras Government, Public Works Department,
17th April 1868.*

No. 241. Read the following letter from the Superintending Engineer, 1st Division, to the Chief Engineer for Irrigation and Joint Secretary to Government, Public Works Department, dated Camp at Dowlaiswaram, 27th March 1868, No. 291:—

1. I have the honor to submit for sanction the accompanying estimate, amounting to Rupees 1,060, for widening and strengthening the banks of Penu-manchili channel, in the Western Delta of this district.

2. This channel at present irrigates 450 acres, but is in very bad order, having no proper banks; we have good grounds for expecting an immediate extension of irrigation under this channel, at least 200 acres, if the channel be put in proper order.

3. I have the honor to request that, in the event of the proposed work being sanctioned for execution, the necessary funds may be granted after 1st proximo.

No. 242. ORDER THEREON, 17th April 1868, No. 1,152.
