No. 243. Read the following Endorsement of the Consulting Engineer for Railways, dated Madras, 27th March 1863, No. 107:—

Read the following letter from the Agent and Manager of the Madras Railway Company, to the Consulting Engineer for Railways, dated Madras, 26th March 1863, No. 102.

1. I have the honor to apply for the sanction of Government to the appointment of Mr. St. Clair Glasson as an Engineering Assistant on District XVI, North-West Line, at a salary of Rupees 200 per mensem.

2. This gentleman, you are doubtless aware, was employed, as a temporary measure, as an Engineering Assistant on the Cochin survey, but as he suffered so much from dysentery on the Western Coast it was found necessary to dispense with his services.

3. The Consulting Physician, whose opinion has been obtained, offers no objection to Mr. Glasson's employment on the North-West Line, and as Mr. Bullmore is in want of an Assistant, I recommend the appointment.

1. Submitted for the sanction of Government.

2. Mr. Bullmore is at present in charge of Districts XVI and XVII, and requires assistance.
