Sir, I have the honor to forward, an
Estimate amounting to Rs. 516 for repairing
the Taluk Cutchery at Manantoddy, the valuation
of its materials is Rs. 950, against which Rs. 434.2-10
were spent in 1886-87 towards its repairs, and if
the present estimate is taken into account, the total
outlay will be Rs. 1016.2-10. As it is beyond the
power of local officers to sanction the Estimate,
I have the honor to request that sanction may
be accorded, as the building will not last unless
the repair is carried out, and no other accom-
modation exists for the purposes to which it is
at present put.

I have the honor to be
Sir,
