Proceedings of the Madras Government, Public Works Department,
18th April 1868.

No. 268. Read the following letter from the Secretary to the Government of India, Public Works Department, (Account,) to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 18th March 1868, No. 207 A:—

1. I am directed to acknowledge receipt of your application No. 514, dated 14th February 1868, and, in reply, to convey the sanction of the Governor General in Council to the re-appropriation of Budget credits for 1867-68 therein applied for. But with reference to the source from which a portion of the re-appropriations is to be found, viz., a reduction of Rupees 1,30,000 in the grant for establishment, I am to request that explanation may be furnished of the circumstances under which this reduction has been found feasible.

2. As regards the item of Rupees 2,350, for erecting eighteen stalls for horses at the west end of the Marine yard at the Presidency, which, from the Proceedings of the Madras Government for March and May 1867, would appear to be intended for the use of the Judges and officers of the High Court, I am to say that accommodation of this kind has been disallowed in Calcutta.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA.

SIR,

ACCOUNT, No. 19.

With reference to your letter of the 18th March 1868, No. 207 A, I am directed to state that during the official year which has just closed, the expenditure from Local Funds by Officers of the Public Works Department having been greatly in excess of the original estimate, the amount chargeable to that source on account of assistance rendered by the Public Works Department was proportionately increased. Moreover, provision was made in the Budget for the full regulated salaries attached to the various grades, calculated at civil rates, in addition to the Military allowances of Officers of the Royal Engineers and of the Staff Corps, but the actual disbursements fell short of that provision. These circumstances led to a considerable saving on the Imperial assignment for Establishments.

I have the honor to be,
Sir,
Your most obedient servant,
(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

I have always been of opinion that Verandahs round houses are objectionable as each house is thereby rendered dark & stuffy. Verandahs for houses in Madras are also objectionable on account of the

letter of the 18 March /68, No 207-S. I am directed to state that during the official year which has just closed, the expenditure from Local funds by Officers of the C.W.D having been greatly in excess of the original estimate, the amount chargeable to that source on account of assistance rendered by the C.W.D was proportionately increased. Moreover, provision was made in the Budget for the full regulated salaries attached to the various grades, calculated at Civil rates, in addition to the Military allowances of Officers of the
