Dated 22 4 - 18 68.	

Not to be folded or roughly handled

22nd April 1868.

Read the following letters :—

No. 392. From the Superintending Engineer, 6th Division, to the Secretary to Government, Department Public Works, dated Tanjore, 21st March 1868, No. 1,782.

1. I have the honor to inform you that Captain Mead has been posted to the charge of No. 1 Range, in the Tanjore District, and Mr. Supervisor Walton has been placed in special charge of the Codamurty dam works. Captain Mead obtains the range establishment, and Mr. Walton's special establishment must now return to him. Mr. Supervisor Donaghue's special minor establishment is now employed on survey duties, under G. O., No. 158, dated 18th January, and as those duties will not be completed till the end of March, I beg that a sum of Rupees 38 may be sanctioned for the survey for March from the allotment for Minor New Works. The following subordinates are now without establishments, and I beg that special establishments may be sanctioned for them :—

For Mr. Sub-Engineer Bateman, while employed on the Lower Anicut works, or from 1st March till the end of July.

5 Months at 27 = 135.

G. O. No. 1,074, of 7th April.

From 1st April.

A similar establishment was sanctioned in 1866.

For Supervisor Mullins,

For Supervisor Skehan, and

For an Overseer in Trichinopoly.

2. The minor establishment for the Overseer is required, because on Mr. Supervisor Cahill's promotion his establishment continued to do duty with him, and thus one Overseer was deprived of his minor establishment.

3. Even when these establishments are sanctioned the extra Overseer in Trichinopoly will be without an establishment, but this is of no importance, as one Overseer in the division is always likely to be on probation and learning his duty, and does not require an establishment.

4. In applying for the extra establishments adverted to above, I have not proposed to transfer Mr. Supervisor Donaghue's special establishment to one of the Supervisors, who is now without an establishment, because I would wish to continue to employ Govindoosamy Pillay on special survey duties in the Tritorapoon-di talook, where there are several minor projects which cannot be matured until surveys of the land are made. If I am allowed to employ Govindoosamy Pillay on survey duties on the terms sanctioned on the 18th January, an extra

sum of Rupees 38 per mensem, will be required on and after the 1st April; but I would suggest that an establishment of one Surveyor on Rupees 50, and six Lascars on Rupees 6 each per mensem, should be sanctioned for employment in the 6th Division during 1868-69, and then Mr. Supervisor Donaghue's special establishment might be made available for Mr. Mullins, and two extra special minor establishments would be required in 1868-69 instead of three. For the Surveyor and six Lascars the Controller has provided

Rupees 86 per mensem.

in his Budget of establishments for 1868-69.

Proceedings of the Madras Government, Public Works Department.
22nd April 1868.

5. I beg that the extra allowance for Mr. Supervisor Cahill's writer may be sanctioned during 1868-69, as the Controller informs me that the sanction conveyed in G. O., No. 3,081, of 4th October, ceases to have effect from the close of the current official year.

1 Statement.

No. 33.

1. In forwarding the statement of Special Minor Establishments required in 1868-69, called for in your Memo-

randum of the 26th March, I have the honor to inform you that I have proposed to transfer Mr. Supervisor Donaghue's special establishment to Mr. Sub-Engineer Bateman while at the Lower Anicut; this establishment will remain with Mr. Bateman, and when the working season is over, and Mr. Bateman returns to a Range, this establishment will be required for the Upper Subordinate who he turns out of a Range.

2. As the extra allowance of Rupees 15 to Mr. Cahill's writer has been

G. O., No. 3,081, 4th October 1867. specially sanctioned, I have not included that charge in the Special Minor Estab-

lishment list now forwarded, but beg that this increased allowance may be sanctioned during 1868-69.
