*Proceedings of the Madras Government, Public Works Department,
24th April 1868.*

No. 465. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Department Public Works, dated Madras, 20th April 1868, No. 175 :—

I have the honor to bring to notice that Captain H. L. Prendergast, R. E., Special Executive Engineer in Tinnevely, has sent in his salary bill for March 1868, made payable through the 1st Range Officer, Madura, while he is in the Tinnevely District. His head quarters or fixed station is noted in the Inspection List as Palamcottah, but the bills sent in are dated at Perryacolum. The G. O., 24th April 1867, No. 1,212, prohibits the drawing of salaries at Madras on Abstracts presented by the Agents of Officers, but does not specifically restrict the drawing of salaries of all Officers and Subordinates to the particular ranges within which they are employed. In the case of Officers on special duty, like Captain Prendergast, I would recommend that authority be given to this Office to allow of their drawing salaries in any Range within the Division to which attached, in the same way as Superintending Engineers are now allowed to draw their salaries, while on circuit, in any other than the head quarter Range of the Division.

No. 466. ORDER THEREON, 24th April 1868, No. 1,265.
