*Proceedings of the Madras Government, Marine Department,
20th April 1868.*

No 33 Read the following letter from the Master Attendant, Cochin, to the Chief Secretary to Government, Fort Saint George, dated Cochin, 11th April 1868, No. 70.

I have the honor to submit, for the orders of Government, the annexed correspondence.

2 Conformably to the Order of Government, No. 103, dated 26th March 1868, Marine Department, paragraph 2, the stones collected by the Public Works Department should have been delivered over to me. This has not been done, and I find that the person who is in local charge of the Public Works, continues to collect stones in pursuance, I presume, of the sanction given for the construction of the sea-wall.

3 I solicit that definite instructions may be issued for the delivery of the stones to me to facilitate the progress of the work in which I am now engaged.

From the Master Attendant, Cochin, to D EPPINGER, Esq., Cochin; dated Cochin, 11th April 1868, No. 69

If you are still in charge of any work connected with the ramparts, I beg you will be so good as to land the stones you are accumulating further to the north on the ramparts, as they are now landed on the spot where my carts are unloading, and much confusion may ensue, and prove an obstruction to my work

2 I shall feel much obliged if you will inform me if you have received any instruction to make over to me any stones you may have collected.

From D. EPPINGER, Esq., Cochin, to the Master Attendant, Cochin; dated Cochin, 11th April 1868.

I have the honor to acknowledge the receipt of your letter, dated 11th instant.

2. I am sorry to learn that I should be in your way with the stones which I am bringing to the ramparts by instructions of the Superintending Engineer. I will do my best to arrange matters so on the ramparts that there is room for both of us.

3. I have received no orders to make materials over to you.

No 34.

ORDER THEREON, 20th April 1868, No. 121.

Communicated to the Public Works Department, for the early issue of the necessary orders.
