*Proceedings of the Madras Government, Public Works Department,
27th April 1868.*

No. 503. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Department Public Works, dated Masulipatam, 8th April 1868, No. 9 :—

Having been directed by you to accompany Colonel Anderson over the proposed lines of the Eastern Coast Canal, I reached Doogarazpatam on the 27th ultimo, and in order to return to Masulipatam as speedily as possible to prepare the various reports, &c., due at commencement of the official year, I proceeded to Madras, and having taken my passage in the steamer of the 3rd instant, arrived on the 4th. I directed my baggage and the greater number of my office establishment to return direct from Nellore, and they reached here on the 5th. As the Controller informed me that, under the circumstances, he could not pass my passage money or that of the Writers I brought to Madras with me for emergent work without the special orders of Government, I have the honor to request their sanction for the disbursement of the actual sums expended by me in addition to the usual travelling allowances, (which were absorbed in cost of transit of my goods and tents by land from Nellore,) as well as the passage money of two Writers and one Lascar from Madras to Masulipatam.

No. 504. ORDER THEREON, 27th April 1868, No. 1,283.
