*Proceedings of the Madras Government, Public Works Department,
29th April 1868.*

No. 564. Read the following Circular from the Secretary to the Government of India, Public Works Department, (Account,) to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 31d April 1868, No. 30 —

1. It has been brought to the notice of the Government of India, that utterly worthless instruments, the value of which will not so much as cover the cost of transit, are frequently returned by Public Works Officers to the Mathematical Instrument Department for final deposit, thus causing loss to Government

2. To prevent this, the Governor General in Council desires that in future, when the condition, or the value, of any of the instruments named in the accompanying list is such as to make the cost of carriage a needless expense to Government, they may be sold by Public Works Officers (instead of being returned to the Mathematical Instrument Department), and the sale proceeds treated as Public Works revenue under the rules applicable to Tools and Plant, contained in paragraph 12, Section v., Chapter XX of the Public Works Code.

List of Instruments, &c, which should be sold by Public Works Officers (instead of being returned to the Mathematical Instrument Department) when their condition or value is such as to make the cost of transit a needless expense to Government.
