*Proceedings of the Madras Government, Public Works Department,
29th April 1868.*

No. 574. Read the following letter from the Superintending Engineer, 6th Division, to the Secretary to Government, Department Public Works, dated Yadayur, 1st April 1868, No. I:—

1. I have the honor to forward an estimate for a Recreation-room and Coffee-room for the detachment of European Infantry at Trichinopoly. Rupees 4,320 are provided in the Budget* of 1868-69 for this work; Rupees 2,780 were provided for it in the Budget of 1867-68, but as it has only lately been decided what shall be the strength of the European Detachment at Trichinopoly, the estimate has only lately been forwarded by the Major General Commanding the Southern Division to the Commander-in-Chief, and was returned† to me only yesterday with an intimation of the approval of His Excellency the Commander-in-Chief.

* No. 57.

2. If the balance of the estimate, viz., Rupees 2,780, is provided later in the year, it is probable that the work will be completed in 1868-69.

† No. 2,524, 26th March.

3. The plan of the building is not in accordance with the standard plan,† inasmuch as the latter provides for placing the Recreation-room in the lower story of a terraced barrack, and there are no terraced barracks at Trichinopoly.

† Sent with G. O., No. 2,519, of 17th August 1867.
