*Proceedings of the Madras Government, Public Works Department,
1st May 1868.*

No. 12. Read the following letter from the Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 1st April 1868, No. 296:—

As directed in G. O., No. 3,959, of 21st December last, I have the honour to submit herewith plans and estimates, amounting to Rupees 5,290, for building certain boats for use in this district.

3 Boat Plans.
3 Estimates.

No. 13. ORDER THEREON, 1st May 1868, No. 1,352.

CIVIL WORKS, No. 1.

His Excellency the Governor in Council sanctions the estimate of Rupees 5,290 submitted by the Superintending Engineer of the 1st Division for the construction of seven boats at the following rates for the use of the Officers, etc., of the Public Works Department in the Godavery District:—

2 Boats at Rupees 1,200 each	...	...	...	...	Rupees 2,400
2 " at " 800	"	...	...	...	" 1,600
3 " at " 430	"	...	...	...	" 1,290

Rupees 5,290

2. Arrangements may be made for the immediate construction of the boats, and as their cost is under the rules chargeable to "Tools and Plant," the Government will hereafter supplement the funds at the Superintending Engineer's disposal under that head by transfers from the allotments for other divisions.

3. His Excellency in Council desires that it may be clearly understood that the charge to be made as boat-hire should be sufficient to cover the cost of the requisite boat establishment, as well as repairs, and reconstruction once in ten years, and that the boats being once provided by the State, all future charges for their maintenance and renewal must be borne by the Officers, etc., employed in the Delta Ranges.
