24th April 1868.*

No. 553. Read the following Proceedings of the Board of Revenue, dated 6th April 1868, No. 2,567.

Read the following letter from the Collector of South Arcot, to the Secretary to the Board of Revenue, dated Cuddalore, 24th February 1868, No. 54 :—

1. I have the honor to forward, for the sanction of Government, an estimate of Rupees 11,360, for constructing a road from Kullacoorchy to Virdachellam up to the 133rd mile of Trunk Road No. 8 via Virgavoor, Kootagoody, and other villages.

2. Copy of the Superintending Engineer's letter, which accompanied the estimate, is herewith submitted.

3. As explained in the estimate, the projected road will prove a very important one, as it will open up communications between villages from Kullacoorchy to the trunk road which are now completely shut out.

From the Superintending Engineer, 5th Division, to the Collector of South Arcot, dated Tiru-
kalore, 21st February 1868, No. 238.

1. I have the honor to forward, for your countersignature and submission to the Board of Revenue, an estimate of Rupees 11,360, for constructing a road from Kullacoorchy up to the 133rd mile of Trunk Road No. 8 via Virgavoor, Kootagoody, and other villages.

2. The new road will leave that from Kullacoorchy to Tiagar, east of the Kullacoorchy river, so that the bridge which has been built may serve for both roads. It will join Trunk Road No. 8 about four miles south of Arsinnur.

3. In the Supplemental Budget of the Local Fund for 1867-68, Item No. 8, a grant of Rupees 2,000 has been made, and in the Imperial Budget for 1868-69, Item No. 301, a further grant of Rupees 8,000 has been allotted for this road.

ENCLOSURE No. 2.—Estimate.

The estimate, amounting to Rupees 11,360, will be submitted for the sanction of Government. The work is entered as Item No. 8 in the current year's Supplemental District Road Fund Budget.
