*Proceedings of the Madras Government, Public Works Department,
2nd May 1868.*

No. 44. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Department Public Works, dated Madras, 22nd April 1868, No. 193 :—

1. I have the honor to submit herewith an appeal from the Assistant Engineer in charge of the Cannanore Range, forwarded with the Endorsement thereon of the Superintending Engineer, 7th Division.

	RS.	A.	P.
Military pay as Deputy Commissary	242	9	4
Assistant Engineer, 2nd Grade,			
Staff pay...	200	0	0
Personal allowance to compensate for loss of salary...	50	0	0
	492	9	4
Maximum pay allowed to be drawn for the 2nd Grade of Assistant Engineers	450	0	0
Excess...	42	9	4

2. Captain Bailey, a Deputy Commissary in the Warrant grade, having, when promoted to the Engineer establishment, been granted a personal allowance to prevent a loss which the difference of staff salary between 1st grade Sub-Engineer and 2nd grade Assistant Engineer would have caused him, drew, in the aggregate, Rs. 492-9-4. This amount exceeds the maximum laid down in this department for an officer

in the grade to which Captain Bailey was promoted; but the excess was not liable to retrenchment, because Captain Bailey was in receipt of the higher amount prior to his promotion to the Engineer grade.

Vide G. O., 3rd September 1867, No. 2,692, paragraph 2, and G. O., 20th February 1868, No. 585.

	RS.	A.	P.
Military pay as Deputy Commissary	300	0	0
Staff pay as Assistant Engineer	200	0	0
	500	0	0
Amount now being passed...	492	9	4
Excess...	7	6	8

By the recent increase of Military pay to the Warrant grades, the total sum to be drawn by Captain Bailey will amount to Rupees 500, being Rupees 7-6-8 in excess of that hitherto passed; but this excess has not been passed to him, as the orders of this Government, dated 26th September 1865, No. 2,845, and more especially the "general conditions" of paragraph 16 of the Proceedings of the Government of India, communicated therein, do not appear to me to authorize its being done.

3. It is to be observed, however, that had Captain Bailey continued to hold the position of Sub-Engineer, 1st grade, when the general orders for an increase to the rates of Military pay to Warrant Officers were issued, he would have been entitled to draw 550 per month; and, comparing this sum with what he now claims, it will be seen that, even if this be granted, he will still be a loser of Rupees 50 per mensem by his transfer to the Engineer establishment. This being a somewhat remarkable case, I have

thought it right to bring it to the especial notice of Government, and to solicit their orders thereon.

*Proceedings of the Madras Government, Public Works Department,
2nd May 1863.*

Endorsement of the Superintending Engineer, 7th Division, dated Coonoor, 17th April 1863, No. 15.

From Captain H. BAILEY, Assistant Engineer, Malabar, to the Superintending Engineer, 7th Division, dated Cannanore, 13th March 1863, No. 872.

1. The Controller of Public Works Accounts having, on accompanying copy of Memorandum, refused to pass me the scale of Warrant pay sanctioned in Orders by the Governor General of India in Council, No. 69 of 1858, published in the Port of St. George's Gazette of the 1st March 1859, I would feel much obliged by your making the necessary reference to Government in the subject.

2. I can hardly suppose the Controller's reading of the order about maximum salaries correct, as it makes an old order cancel a new one; in addition to which, a reference to the order by the Governor General authorizing the promotion of Subordinates with Honorary Commissions to the corresponding grades of Assistant Engineers, published in Proceedings of Government No. 2,692, of the 3rd September 1857, will show that it was the intention of the Supreme Government that Subordinates promoted to the grade of Assistant Engineer should not be in a worse position as regards salary, than they would have been if they were not promoted, and in all cases Subordinates are entitled to the full Military pay of their rank in addition to the pay of their grade in the Department.

Submitted for the orders of Government through the Controller, should Captain Bailey's views, concurred in by the undersigned, appear to the Controller to be erroneous.

Superintending Engineer, 7th Division.

ORDER THEREON, 2nd May 1863, No. 1,360.

ESTABLISHMENT, No. 4.

1. The Controller of Public Works Accounts is authorized to pass to Captain Bailey, Military pay at Rupees 300 and the authorized Civil salary of Rupees 200 per mensem of an Assistant Engineer of the 2nd Grade.

2. These orders will apply to Captain Howard.

*Supervising Engineer
7th Division*

Sir, The Controller of P. W. Accounts, having, on accompanying copy of Memo, refused to pass me the scale of Warrant pay sanctioned in orders by the Governor General of India in Council No. 69 of 1858 published in the Port of St. George's Gazette of the 1st March 1859. I would feel much obliged by your making the necessary reference to Govt. in the subject.

I can hardly suppose the Controller's reading of the order about maximum salaries correct as it makes an old order cancel a new one; in addition to which a reference to the order by the Governor General authorizing the promotion of Subordinates with Honorary Commissions to the corresponding grades of Asst. Engineers published in Proceedings of Govt. of the 3rd September 1857, will show that it was the intention of the Supreme Govt. that Subordinates promoted to the grade of Asst. Engineer should not be in a worse position as regards salary than they would have been if they were not promoted, and in all cases Subordinates are entitled to the full Military Pay of their Rank in addition to the pay of their grade in the Department.

Department Public Works.

Sir,

I have the honor to submit herewith an appeal from the Assistant Engineer in charge of the Formanore Range, forwarded with the endorsement thereof of the Superintending Engineer of the Division.

Engineer would have caused him to draw in the aggregate Rs. 492.9.4. This amount exceeds the maximum laid down in this Department for an Officer in the grade to which Captain Bailey was promoted; but the excess was not liable to retrenchment because Captain

Bailey

the pay of Rs. 1000
to the pay of Rs. 1100
pay to Captain H. Bailey

1000/68 & O W

Bailey was in receipt of the higher amount prior to his promotion to the Engineer Grade. By the recent increase of military pay to the Assistant Engineer, the total sum to be drawn by Captain Bailey will amount to Rs. 500 being military pay as by Rs. 7.6.8 in excess of that allotted to him; but this excess has not been passed to him as the orders of this Government dated 26th Sept. 1885 No. 2845, and more especially the general conditions of para. 16 of the Proceedings of the Government of India communicated therein, do not appear to me to authorize its being done.

3. It is to be observed, however, that had Captain Bailey continued to hold the position of Sub Engineer 1st Grade, when the general orders for his increase to the rates of military pay to Warrent Office's were issued, he would have been entitled to draw 550 per month; and comparing this sum with what he now claims, it will be seen that even if this be granted, he will still be at loss of Rs. 50 per mensem by his transfer to the Engineer Establishment. This being a somewhat remarkable case, I have thought it right to bring

Date 9.3.32 Mr. 187 J. 26/2 para 2 on 26/3.25-26 July 1885 Rs. 535.
