*Proceedings of the Madras Government, Public Works Department,  
4th May 1863.*

No. 82. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 21st April 1868, No. 300 :—

- 1 Memorandum from Mr. Chisholm, No. 13, dated 16th April 1868.  
2 Bills and Inspection Report.  
1 Memorandum from Controller, No. 412, dated 8th April 1868.

1. I have the honor to submit, for the sanction of Government, the accompanying bills from Mr. Chisholm, Special Executive Engineer, Presidency, for travelling allowances due to him and

to his office establishment for proceeding to Ootacamund in March 1868, for the purpose of making out certain drawings and performing other duties connected with the Lawrence Asylum.

2. The Controller of Public Works Accounts declines to pass the allowances without the special authority of Government. As, however, Mr. Chisholm appears to have proceeded to Ootacamund apparently with your verbal permission, I have the honor to request that the bills above referred to, amounting to Rupees 230-4-0, may be sanctioned for payment, and that authority may be given to the Controller to pass such allowances in future without reference to Government on the usual certificate at foot of Inspection Reports that "the journey was undertaken on public duty."

No. 83. ORDER THEREON, 4th May 1868, No. 1,388.

ESTABLISHMENT, No. 7.

The bills submitted with this letter are sanctioned, subject to audit by the Controller of Public Works Accounts,

but the Government deem it unnecessary to grant the general authority applied for in the latter clause of paragraph 2.
